PLEASE READ CAREFULLY: It is the responsibility of the nominator to ensure that nominations are complete, to include payment and appropriate NIA membership status. Incomplete packets will not be processed, nor will the NIA be responsible to notify the nominator. Due to increased volume, awards should be submitted at least 5 business days prior to bimonthly Awards Board meetings (normally around the 1st and the 15th of each month) to ensure their submission for that meeting. Submissions which are submitted too late for that meeting may not be changed to "rush" status, because doing so disrupts the schedules of Board members and staff. All awards submitted as "rush" must be accompanied by a written justification for late submission.
