MEMORANDUM FOR National Infantry Association, 1775 Legacy Way, Suite 210, Columbus, GA 31903

SUBJECT: Rush shipment [REDACTED] OSM Nomination

1. Due to training requirement and Christmas holiday leave this Training year, Unit selections for the annual Order of ST Maurice nomination were unable to be completed in order to make the 15 December or 01 January bimonthly NIA board meeting dates. The 2-108th Cavalry Squadron hosts an annual Cavalry ball and would like to be able to present the OSM to our Troop 1SG if approved on 27 January 2018 and have no control over the date. The unit is requesting approval for the application to be treated as a rush status in order to allow mailing to occur after the 15 January Board Meeting and apologize for any inconvenience this may create.
